

Clarence W. "Shorty" Jenkins (1935 – 2013), known as the "King of Swing," revolutionized curling with his innovative ice-making techniques.

Famous for his pink cowboy attire, Shorty introduced the practice of timing rocks, which transformed the sport. His dedication earned him a posthumous induction into the World Curling Hall of Fame in 2018 as a 'builder.' Shorty's legacy lives on through the many ice technicians he mentored and the clubs he improved, leaving a lasting impact on the game. 🏈

FOUNDER'S MESSAGE

A warm welcome curlers, spectators and organizers to the 2024 AMJ Campbell Shorty Jenkins Classic. Our 25th anniversary edition of the event!!

This year we are welcoming participants from across the globe including teams from Canada, USA, Korea, Scotland, Germany, Netherlands, Japan, China, Sweden, and Switzerland.

I would like to personally thank John DiLabio and Kevin Baker the co-chairs of the 2024 Shorty. Special thanks to Denis Cordick, VP Marketing for AMJ Campbell Van Lines, Jet Ice, Cogeco, and The City of Cornwall for their support and to the corporate and team sponsors. Without you, we could not offer such an outstanding event.

My gratitude goes out to the Cornwall Curling Center, and the many volunteers who have given their time in so many capacities - your help and commitment in assisting the committee in delivering a successful bonspiel is nothing short of stellar. More than 100 volunteers work tirelessly throughout this weekend to ensure everything runs smoothly. What an incredible experience it has been working with everyone again.

And finally, to my organizing committee - a bonspiel of this magnitude cannot happen without the tremendous support of a strong committee. I am very fortunate to have a volunteer machine in Cornwall - it is clear how much everyone believes in this event. Please take a moment this weekend to thank them for their dedicated support in pulling this off, it is incredible.

Over the years, this bonspiel has attracted a high calibre of curlers and 2024 is no exception. Good curling,

Gord McCrady Jr.

MAYOR'S WELCOME

On behalf of City Council and the City of Cornwall, it is my pleasure to warmly welcome you to Cornwall for the 25th Anniversary Edition of the Shorty Jenkins Classic.

As a community we are very pleased to be hosting you, and I invite you to take the opportunity during your time with us to explore what Cornwall has to offer. Whether you visit our impressive waterfront, beautiful parks, or explore our various restaurants and shops, you will find something unique offered at each stop.

Curling has a long history in Cornwall, having been first recorded in our region being played on the frozen St. Lawrence River in the 1850s. A century and a half later, you are continuing this tradition at the Cornwall Curling Centre, on the banks of the St. Lawrence.

In closing, I would like to take the opportunity to acknowledge all those who are involved with bringing this event to fruition. It is no easy feat and for that, you have our thanks and congratulations. Here's to another 25 years!

Wishing you all the best with the bonspiel.

Sincerely,

Justin Towndale
Mayor
